Income Questionnaire 2024-2025

Student _____ Grade _____ School La Vida Charter School

Dear Parents/Guardians,

A number of opportunities exist to apply for financing, grants and other funding that will benefit the children of La Vida Charter School. Many of these opportunities are based on the income levels of our families. To apply for these funds, we need the help of all school families. The financial questionnaire below *must be filled out* for each student, and the information must be on file at the school office before we can submit applications.

We understand that many people do not like to answer income questions, so we have tried to make this form as simple and anonymous as possible. For confidentiality, no names, only student ID numbers, are used on the income section. Thank you in advance for your assistance.

I certify (promise) that the information provided on this form is true and that I included all income. I understand that the school may receive state and federal funds based on the information I provide and that the information could be subject to review.
